

**HS Course Recovery Summer 2023**  
**Parent Letter/Registration**  
**June 5- June 28, 2023**

Dear Parent/Guardian,

OCPS is providing a Course Recovery opportunity for high school students who need course recovery. **Current records indicate that your child is not on track to meet the requirements for successful completion in one or more core courses.** It is important for your child to register for this program. Our goal is to provide students with an opportunity to demonstrate competency in order to progress toward graduation requirements. Students must meet high school course requirements to graduate from high school.

<b>When:</b> Monday, June 5 – Wednesday, June 28, 2023
--

During this program, students will be provided instruction through an on-line program called Edgenuity. Edgenuity offers standards-aligned video-based curriculum for high school students in all core content areas. Students may participate remotely, or come to campus for support.

In order for your child to participate in the Course Recovery, please complete, sign and return this registration form by Friday, April 21, 2023.

**Student Registration Information**

Student Name \_\_\_\_\_ Date of Birth \_\_\_\_\_  
(month/day/year)
