

Course Syllabus:**A&P Honors**

School Year: 2020-2021

**Mrs. Nichole Bagheri**

Phone: 407-905-6400

**Room: 610**

[nichole.bagheri@ocps.net](mailto:nichole.bagheri@ocps.net)

**Textbook:** *Essentials of Human Anatomy & Physiology*

**Digital Platform:** *Canvas*

**LaunchEd Platform:**  
*Microsoft Teams*

**Welcome to Anatomy & Physiology Honors!** This course will be both challenging and rewarding. Together we will investigate and learn all of the intricate parts that make up the human body and their functions. During the course of this year you will be expected to arrive to class on time, be prepared, pay attention, work in groups and collaborate with each other as well as the teacher. Please review the entire course syllabus with your parent or guardian. **Covid-19 Update:** [Welcome Video Link](#)

**Materials:**

Students must bring their **laptops** and **charger** with them everyday to class. In addition to the digital curriculum, students are **required** to have a **1 inch, 3-ring binder** with loose leaf paper for this course at all times.

**Covid-19 Update:** Masks must be worn at all times during F2F class.

**Course Outline:**

1st nine weeks	Body Orientation, Integumentary System, Skeletal System.
2nd nine weeks	Muscular System, Nervous System, Special Senses.
3rd nine weeks	Endocrine System, Blood, Cardiovascular System.
4th nine weeks	Lymphatic System, Respiratory System, Digestive System, Urinary System, Reproductive System.

**Teacher Availability:**

I am available before school Monday thru Friday from 6:45-7:15 am. Tutoring will be available after school upon request and must be scheduled ahead of time.

**Covid-19 Update:** The best way to contact me is by **Email**, either OCPS or Canvas for questions or concerns. A virtual tutoring session can be scheduled ahead of time.

**Grading:**

Tests	100 points
Homework/Assignments/Labs	20-50 points
Quizzes	25-50 points
Projects	100-200 points
Participation	10-20 points

NOTE: Extra credit opportunities will only be given without any missing work.

**Grading Scale:**

A	90-100%
B	80-89%
C	70-79%
D	60-69%
F	0-59%

**Lab Donation:**

A \$10 donation will be collected at the beginning of the year. This will provide materials for hands-on labs as well as the dissections throughout the course. We do about 4 dissections during the year, including, but not limited to; eyeball, brain, heart and cat.

**Covid-19 Update:** Donations will be used for cleaning products and materials in lieu of hands on labs and dissections.

**Absences:**

- When you return from an absence, check(email) with me before or after class to find out your missing assignments, and you will have the number of days absent plus one to make up those assignments without penalty.
- In the event of extended absences, please see(email) me to work out a plan.

**Expectations:(LaunchEd and F2F)**

- Attendance is mandatory.
- Be prepared for class. (laptop, charger, binder, pen/pencil)

- Follow directions.
- No cell phones during class.
- Academic honesty (no copying/cheating)
- Complete all work on time.
- Enjoy your time in class!

**What you can expect from Mrs. Bagheri:**

- Tutoring availability
- Timely feedback/grading
- Open door policy
- Smile at the door
- 24 hr response time on emails

**Class Rules:**

- Be prompt
- Be prepared
- Be positive
- Be productive
- Be polite

**CFE:**

This course has a Common Final Exam (CFE) at the end of the school year, which counts for 20% of the students' final grade.
---

**Additional Distance Learning(LaunchEd) Rules and Expectations:**

- Students need to adhere to dress code- Code of Conduct still applies.
- Find a quiet, stationary space for class with a desk and minimize distractions.
- *Webcam* must be **ON** during class time.
- *Mic* must be **muted**, unless otherwise noted by the Teacher.
- Be prepared to participate and answer questions as you would in class
- Be mindful of technical difficulties, they will happen, we will deal with them accordingly.
- I am excited to welcome you to my virtual classroom!
