Alexi N. Wilson

English 4 College Prep, English 4 Honors

Welcome to the 2020-2021 school year at Olympia High School!

What you can expect out of me:

I am here to guide you through the English subject, provide high-quality texts of various disciplines and genres, and improve your writing abilities. We will read literature and informational texts. We will write narratives and essays. We will study poetry and Shakespeare. And everyone in this class is capable of success!

My classroom is a safe and positive learning environment and I will treat each student fairly, professionally, and respectfully. I will provide relevant lessons that will not only aid you in passing the tests you need, like the FSA, SAT, and ACT, but will also give you life skills you can use outside the classroom. I am available to both Students and Guardians for assistance and support. Together, we are an academic team.

What I will expect out of you:

In my classroom we are learning how to be respectful and professional young adults. Expectations are a guideline for how to achieve that. Therefore, I expect everyone to:

- Be positive and safe.
- Be polite and respectful.
- Follow all rules and procedures.
- Calmly communicate their emotions.
- Accept consequences for their actions.

Students are also expected to follow all school rules, which can be found in the code of conduct.

Consequences may or may not include verbal reprimand, phone call or email home, loss of privileges, or administrative referral. We cannot allow the actions of one student to disrupt or impede the learning for others within the classroom.

I am truly looking forward to this school year and being a part of each student's academic team. **Communication** is key to success in any field and I can be reached via Remind or email, though email is preferred. (alexi.wilson@ocps.net) Instructions for signing up to my Remind will be available in the Introductory Unit on CANVAS. Please do not hesitate to contact me if you have any questions or concerns. Please understand that each student is my top priority. I know this is going to be a challenging, yet rewarding school year!

Please keep in mind that things are subject to change. Guardians and Students will be regularly updated through **CANVAS**.

Thank you!

Alexi N. Wilson
